# MEMORY

God's way of making sense out of our lives.

*Celebrate God by recalling God's every-day presence.*

---

*“and you shall **teach** them diligently to your sons and shall talk of them when you sit in your house and when you walk by the way and when you lie down and when you rise up.”*

*(Deuteronomy 6:7 KJV emphasis mine)*

*“By which also ye are saved, if ye keep in **MEMORY** what I preached unto you, unless ye have believed in vain.”*

*(1 Corinthians 15:2 KJV emphasis mine)*

## WHAT HE DID HE CAN DO AGAIN...

making sense of what seems to be a mess.

My MEMORY is full of snapshots of my past. So full I had to get them out to make room for a few more. Because of this, I wrote two books full of several of these snapshots titled *Naked Faith Part 1 and Part 2*. They do not necessarily fall in any specific order, but they are all recounting how God shows up in time and space and *works all this to the good for those who love Him*.

So then, MEMORY rehearsed, is our way of lining up our minds with the fact that God is with us both individually and corporately. If I live another 100 years, I will tell the story of how God changed the landscape of the whole world with an invisible crown (Covid-19). I would rehearse how someone slammed on the brakes and every nation bowed to a tiny god of fear.

My MEMORY, when recited, would have to include how each soul knew that if someone much greater than a tiny virus showed up wearing an infinitely greater and more pernicious crown we would all, equally, bow to it as we did in fear to Covid-19, and run out of toilet paper.

That 'virus,' called God has been setting up the gene-pool of humanity for millennia to be totally susceptible, *no receptive*, to an infirmity that would leave every soul which is attached to flesh dead and transform that same soul by attaching it to an eternal body, one fit for God Himself. In that instant we would have a MEMORY that this was the whole plan from day one, expressing a MEMORY in the sense of our minds discovering His

mind and saying, “Got it! But of course.”

Just like the impossibility of shooting the moon through a basketball hoop, the impossibility of our union with God for eternity will dazzle us. Our MEMORY of all the things in history we took for granted will take on flesh and walk right before us echoing His life within us.

*“Beloved, now we are children of God, and it has not appeared as yet what we shall be. We know that, when He appears, we shall be like Him, because we shall see Him just as He is.” (I John 3:2 NAS77)*

So bring to MEMORY, every day, all the wonderful things the Lord has done. Like what? He grew up, trained up, woke up, and kept up everyone needed to bring you electricity, milk, safety, and every little thing you so easily consume. Bring to MEMORY how God’s hand in each life, even without that life acknowledging it, has prepared us one and all for the greatest infection of all.

*“And when all things are subjected to Him, then the Son Himself also will be subjected to the One who subjected all things to Him, that God may be all in all.” (I Corinthians 15:28 NAS77)*
